

## FRIENDSHIP STAR DIRECTIONS

The block will be 6.5 x 6.5 inches cut, 6 x 6 inches finished.

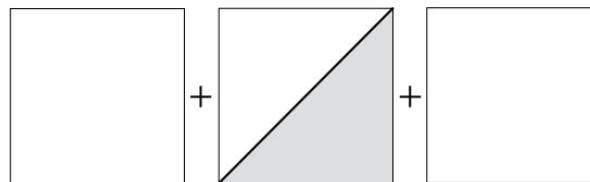

You need to cut the following;

Muslin – 4 2.5" squares, 2 3" squares

Member's Choice (MC) Fabric – 1 2.5" square, 2 3" squares

Sewing instructions:

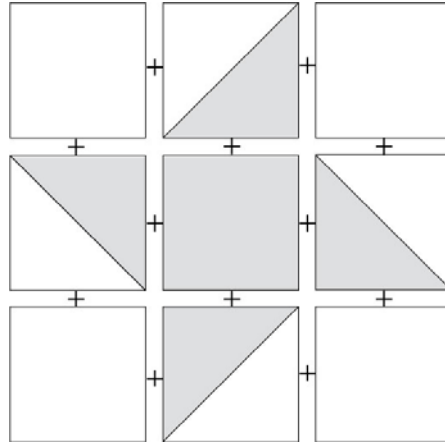

1. On the back of the 3" squares of muslin fabric, mark a diagonal line. Match these squares up with the same size of the MC Fabric face to face. Sew 1/4" on either side of the diagonal line to create 2 Half Triangle Squares (HTS) from each original square by cutting on the diagonal line. Press open carefully, pressing seam toward MC fabric. If needed, square up the 4 new units to 2.5".
2. Join a 2.5" square of muslin fabric to either side of an HTS unit just created...per the diagram below. Press seams toward corner squares. Make 2 of these units.

3. Join other 2 HTS units on either side of the 2.5" MC fabric...per the diagram below. Press seams toward the center square.

4. Join units together to create Friendship Star block.

5. **IMPORTANT:** Please square up your finished block to be sure it is 6.5". If it is larger or smaller, check your seams and redo if necessary. If you do not check your measurements, your block may not join properly with other blocks easily to create a finished quilt.
