## Block of the Month

### September 2006

## Quilt Pink

### White House Steps

This month the BOM will be run a little different from normal. The guild is going to make a quilt from the blocks turned in for the Quilt Pink auction benefiting Breast Cancer research. As this disease has touched most of our lives in a personal way, I hope we can work together to make a great quilt.

Fabric requirements: Assorted strips 1 1/2" and 2" of pinks, tans and browns. Think bubblegum and chocolate for inspiration.

This block is assembled like a Court House Steps block but the coloration is different. Around the center square each ring should be one fabric. See block in the title for example. There is no specific placement of colors. The effect we are looking for is scrappy.

- Center square-3" square
- Ring 1- 1 1/2x16" strip
- Ring 2- 2x26" strip
- Ring 3- 1 1/2x26" strip
- Ring 4- 2 2x26" strips

Please cut your strips to the size in the diagram on the left. This will give the much better consistency.
